Remaining estate tax equal to the amount of credit for state taxes allowed under the federal tax (no additional tax to the estate). However, the state maintained that the tax was linked to the federal Internal Revenue Code as of 1/1/2001 prior to the amendments to the federal tax. On 2/3/2005, the State Supreme Court overturned this interpretation, ruling that the state estate tax must conform to the phase out in the federal tax; effectively repealing the existing tax.
