## NOTES ON LOCAL TAX DISTRIBUTIONS REPORTS

**Overview--** Local tax distributions are amounts disbursed to cities, counties, and other local governments by the Office of the State Treasurer. These taxes are collected by the Department of Revenue (the Department) which is responsible for the correct allocation of the funds. The amounts are based on the local share of retail sales and use taxes collected two months prior to the distribution. Distributions are made monthly; however, no allowances or adjustments are made for late returns. Distributions from late returns are made in the second month after the returns are received just as they are for current returns. As soon as they are available, monthly & annual local tax distribution figures are posted on the Department's following links below:

[Monthly Distribution Report](#)

[Annual Distribution Report](#)

**Data Presentation--**The formats used in this annual summary vary from the formats used in the monthly report on the Department's web site. Some tables were renumbered and grouped by tax type. The tax types are sales/use taxes, lodging taxes, and rental car/other taxes. The formats used in this publication were developed in consultation with a cross-section of representative users of the publication. While some formats have changed, the figures included are identical to those presented in other media. This annual edition includes figures for both the most recent complete calendar year and the year immediately prior. At our users' request we have included a computation of the percentage change in distribution amounts from one year to the next. We caution all users of this data to take great care in attempting to attribute causes to individual percentage changes. Distributions can fluctuate dramatically due to population changes, annexations and incorporations, as well as audit adjustments.

The following are the local tax distributions that are included in the annual report:

Basic (Regular) and Optional Distributions

Transit Tax Distributions

Criminal Justice Tax Distributions

Correctional Facility Tax Distributions

Rural Counties Tax Distributions

Emergency Communications Systems Tax Distributions

Public Safety and Health Distributions

Local Sales/Use Tax Distributions to Other Jurisdictions

Chemical Dependency or Mental Health Treatment Services or Therapeutic Courts

Annexation Services Tax

Local Revitalization Financing (LRF) and Local Infrastructure Financing Tool (LIFT)  
Health Sciences and Services Authorities

State Shared Hotel/Motel Tax Distributions

Additional Local Hotel/Motel Taxes

Tourism Promotion Area

Rental Car Tax Distributions

Enhanced 911 Distributions

**Disclosure**

To comply with state law requiring data on individual taxpayers to be kept confidential, in the regular, additional hotel/motel, and tourism promotion area tax distribution tables a "D" indicates that the data cannot be disclosed because the jurisdictions have fewer than three taxpayers who report on a monthly basis. These amounts are not included in the totals for the cities or counties.
