The Department has received 12 Local Revitalization Funding Applications for First Come Basis Projects.

The DOR has received the following 12 Local Revitalization Funding Applications for First Come Basis Projects. The applications are listed in the order received. The applications have not yet been approved.

The Department will be reviewing the applications carefully over the next two weeks. The department will contact the sponsoring government if their application is incomplete. Incomplete applications will need to be completed and resubmitted before being considered. Please note: the order of applications may change if any applications are determined to be incomplete. If an applicant submitted duplicate applications, only the first application received is listed.
