

## High Unemployment County Application for Sales and Use Tax Deferral 82.60 RCW

**Use this application if:**

- You are the business that is paying for the investment project, or
- there is a lessor and lessee with 100% same ownership **and** the lessor is paying for the investment project, or
- you are the lessee and will be paying for the building improvements and/or machinery and equipment.

**General Instructions**

**Filing:** This application must be mailed or faxed to the Washington State Department of Revenue prior to the date the building permit is issued and/or prior to the acquisition of machinery and equipment within Washington State.

**Eligible Investment Project** means an investment in qualified buildings or qualified machinery and equipment, including labor and services rendered in the planning, installation, and construction of the project. The investment project must be located in an Eligible Area.

**Eligible Area** means a qualifying county or a community empowerment zone. A qualifying county means a county that has an unemployment rate which is at least 20 percent above the state average for three calendar years immediately preceding the year in which the list of qualifying counties is updated. This list is updated every two years.

**Qualified Buildings** means the construction of new buildings, and expansion or renovation of existing buildings for the purpose of increasing floor space or production capacity used for manufacturing or research and development.

**Qualified Machinery and Equipment** means all new industrial and research fixtures, equipment, and support facilities that are an integral and necessary part of a manufacturing or research and development operation.

**Qualified Activities** includes manufacturing, the conditioning of vegetable seeds, and activities performed by research and development and commercial testing laboratories.

**Use/Survey Requirements:** All businesses must maintain qualified activity at the site of the investment project for the year in which the investment project is certified operationally complete by the Department of Revenue, plus seven additional years. An annual incentive survey due April 30<sup>th</sup> is also required every year during this eight-year period.

**Employment Requirements:** For investment projects located in community empowerment zones, there are additional hiring requirements. See RCW 82.60.049 for the specific requirements.

**Waiver of Taxes:** If all program requirements have been met, the deferred sales/use tax is waived by the Department of Revenue after the eighth year.

**(The lessee that receives the economic benefit must agree in writing to complete the annual survey.)**

### Use of Facility

*All businesses must maintain a qualified activity at the site of the investment project for the year in which the investment project is certified as operationally complete by Revenue, plus seven additional years.*

20. Do you plan to operate this investment project in a qualified manner for 8 years from the time the project is certified as complete? Yes  No

21. If the answer to question 20 is "No", how long does the lessee plan to operate this investment project in a qualified manner? \_\_\_\_\_

If the manufacturing or research and development activity is not maintained, all or a portion of the deferred taxes outstanding for this investment will be immediately due. The department will assess interest at the rate provided for delinquent excise taxes, but not penalties, retroactively to the date of the deferral.

### Audit Records Location

If your application is approved, a deferral certificate will be issued using the estimates from your application. **Upon completion of the project, an auditor will verify qualified activities at this facility. They will also verify that the approved percentage of your structure and 100% of the machinery and equipment are eligible for the deferral. The auditor may adjust the allowable deferral based on the audit findings and you will be billed for all non-qualifying purchases.**

To minimize inconvenience and the time it takes to complete an audit, please have the following records for the audit period available for your meeting with the auditor:

- Purchase invoices (i.e., accounts payable, receipts)
- Supporting documentation for the construction, such as construction contracts
- Original Sales and Use Tax Deferral Certificate

Although most audits can be completed with the above records, additional documents may be required during the audit.
